

Volba mluvčích Zelené re:vize

Counting votes using Scottish STV. There are 5 candidates competing for 2 seats. The number of votes is 47 and there were 46 valid votes.

Method Options:

- Title -- Volba mluvčích Zelené re:vize
- Seats -- 2

The bar charts below show the vote counts for each candidate in each round. Place the mouse over a bar to see the number of votes.

- Yellow — Votes carried over from the previous round.
- Green — Votes received in this round.
- Red — Votes transferred away in this round.

A candidate's votes in a round is the sum of the yellow and green bars. Since the green and red bars represent votes being transferred, the sum of the green and red bars is the same.

The exhausted bar represents votes where the voter did not indicate a next preference and thus there were no candidates to transfer the vote to. The threshold bar (where shown) indicates the number of votes that ensures that a candidate will win a seat.

Round 1
([next](#))

Count of first choices. No candidates have surplus votes so candidates will be eliminated and their votes transferred for the next round.

Round 2
